

Marilyne Mesiano Appointed Chief Executive Officer of DomusVi Spain Succeeding José María Pena

Suresnes, 20 March 2026

After more than four years at the helm of **DomusVi Spain**, during which he also served as a member of the **Group Executive Committee**, **José María Pena** has decided to pursue a new professional opportunity.

To continue the positive momentum initiated under José María's leadership, DomusVi announces the appointment of **Marilyne Mesiano** as **Chief Executive Officer of DomusVi Spain**.

With extensive international **experience acquired within DomusVi** and already a member of the **Group Executive Committee**, Marilyne Mesiano brings in **depth knowledge of our business**, as well as of **DomusVi Spain** and its teams, with whom she has collaborated closely on several strategic projects in recent years.

Her **experience, her understanding of DomusVi**, along with **her attention to detail, empathy, and passion** for our profession, are major assets to lead the development of DomusVi in Spain.

Over the past four years, José María Pena has played a pivotal role in **strengthening DomusVi's position in Spain**. He has actively contributed to improving the quality of care and services provided daily to the older adults we support. He has also implemented several major strategic and operational initiatives, such as the creation of **local Family Councils** in our residences and a **National Family Council**, thereby ensuring the long-term involvement of families in our governance.

DomusVi extends its sincere thanks to him for **his dedication and leadership**. His decision, driven by personal reasons, is deeply regretted by the company and the Board of Directors.

The transition has been organised to **ensure optimal continuity in governance and operations**.

José María Pena and Marilyne Mesiano will work together over the coming weeks, **until 10 April**, to ensure a smooth handover. **Marilyne Mesiano will officially assume her role as Chief Executive Officer of DomusVi Spain on 13 April**.

A process is currently underway **to appoint Marilyne Mesiano's successor in her previous position**.

DomusVi once again thanks **José María Pena for his contributions** and wishes him **every success in the next chapter of his professional career**.

Regarding his experience at DomusVi, **José María Peña states** :

“It has been a privilege to lead DomusVi Spain and to work alongside such dedicated teams.

I am proud of what we have accomplished together over these four and a half years and confident in the organisation’s ability to continue growing and developing in the years ahead.”

Regarding her appointment, **Marilyne Mesiano says** :

“I am honoured to take on the leadership of DomusVi Spain. Having already worked with the Spanish teams, I know their professionalism, commitment, and the quality of their work. I look forward to continuing this momentum and supporting the teams as we pursue our shared development.”

On this occasion, **Sylvain Rabuel, President of DomusVi, declares** :

“I would like to warmly thank José María for the commitment and energy he devoted to DomusVi Spain over the past few years. His leadership has been instrumental in advancing the quality of our care and services, as well as fostering trust with all our stakeholders.

I am also delighted with Marilyne’s appointment as head of DomusVi Spain. Her experience, her knowledge of DomusVi Spain, and above all her passion for our profession and for the people who make it come alive, give me full confidence in her. I know I can also count on the dedication of the Spanish teams to give her the warmest welcome and their full support in this new responsibility.

ABOUT DOMUSVI

Founded in 1983 in France, DomusVi, present in 7 countries, is now one of the leading providers of housing, services and care dedicated to the elderly.

Every day, our community of 50,000 professionals supports nearly 200,000 elderly people, whether they live at home or in one of our shared housing, serviced residences or nursing homes. Our commitment : to offer everyone personalized support, promoting quality of life, autonomy and social connections, at every moment of their lives. For over 40 years, DomusVi has relied on human-centered governance, close to families and its employees, and acts while ensuring its sustainable impact on the environment.

DomusVi, humanity shared
